ORDER

CV 05-3173 (TCP)(ARL)

LINDSAY, Magistrate Judge:

The court has reviewed the respective submissions of counsel dated February 28, 2011 and March 1, 2011. Both parties seek a resolution of the bankruptcy issues raised in their correspondence urging that it could lead to a resolution of the claims in this case. The parties are therefore referred to the dispositive motion practice of the district court judge and must file their motions in accordance with the district court's individual rules governing such motion practice. All other matters in this action are stayed pending a resolution of their motions.
